Fees

1 day course £95.00 including consumable materials
2 day course £175.00 including consumable materials
One to one tuition is £160.00 per day including consumable materials.
Please book one to one tuition a minimum of 1 week in advance of the date you wish to do the one to one tuition on.

Consumables

Consumables include chemicals, solvents, and inks. Please bring an apron or suitable clothing, a selection of brushes and pencils [2B, 4B, 6B] sketchbooks and material which a course specifically asks you to provide [eg. photocopies, acetates or textured material]. The cost of plates and paper used are specific to your course project/ or one to one needs and is a separate cost depending on your choice of technique and image size.

One to one tuition

We offer one to one tuition during the rest of the year in all of the printmaking techniques listed. The advantage of one to one tuition is that the learning time is 100% yours, not shared with a larger group who all have different needs, questions and levels of ability. You get to focus on the idea you want to make and the tutor's expertise is used for that.

Booking for an Arranged Group size of 3

It is possible for one person to arrange a group of 3 participants [friends, colleagues]. This creates the minimum group size for a course. It is a good way for a group of friends to meet up and enjoy time together as well as try something new and means that you may book the technique of your choice on dates of your choice other than course dates already advertised. 1 day course fees per person apply to an Arranged Group of 3.

A place on a course is booked on receipt of full payment. We regret that funds can not be given in the event of a non-attendance.
